{ **Normally:** Arrivals 7.30 – 9.30 Collection 3 – 6pm }

(Any exceptional needs, You must tell us in advance if there is a specific need outside of these times)

Terms & Conditions:

1. **Our Staffing Policy:** Staff will only be taken on if they are ‘true dog lovers’. We will ensure they are given the required levels of training.

We do not have veterinary training, and cannot be liable for any treatment or diagnosis of any injury incurred at the Daycare Centre. If your dog is injured at the Centre, you should have this checked out by your vet, at your cost.

Your dog will always be supervised, and never left alone.

2. **General:**

We would recommend that your dog comes at least once a week to the day centre as this will help them to become more sociable.

We accept dogs of all ages, including puppies 2 weeks after vaccination.

All full males will need to be neutered, and puppy dogs between the age 10 – 12 months.

Bitches will not be accepted whilst on heat for at least 3 weeks.

We expect all those visiting to be socialised.

We are a ‘cage free’ environment (occasionally used for unruly behaviour)

We will try to give dogs as many different activities to do throughout the day, so they go home contented.

Dogs have rest areas.

Dogs will get dirty at times at the centre, but we will do our best to return them as clean as possible.

3. **Taxi Service:** Sometimes your dog may need to use this service, either to go for a walk or to attend our Doggie Daycentre. You are signing to agree to use this facility and also to accept responsibility for the risks of injury that accompany this.

4. **Good Health:** You will need to produce proof confirming your pet’s inoculations are kept up to date. No dog can be accepted for ‘Daycare’ unless they have been inoculated against Distemper, Hepatitis, Leptospirosis, and Parvo Virus. Treatment against Kennel Cough (KC) is required, (it is airborne so easily contracted anywhere) in the best interest for all the dogs.

Your dog should be in good health and wormed regularly, and should we feel it necessary for any treatment required, whilst in our care, for internal or external parasites (fleas, worms etc) this will be charged back to you, on your return.

Should it be necessary at our discretion for a vet to be called or visited for pre-existing condition or urgent attention, fees incurred will be the responsibility of the owner.

On accepting these conditions, you are signing that your dog is in good health.

Current or ongoing problems with your dogs’ health or temperament, must be notified to us at the time of booking. We reserve the right to refuse any pet that we consider to be of an unreliable temperament, or sick at the time of visiting the centre.

YOUR SIGNATURE IS REQUIRED

As confirmation that details are correct & as acceptance of the terms and conditions, and that you are content for your dogs to spend the day with others.

5. **Accidents:** Accidents may occur at time to time due to: scraps, boisterous play etc. Every dog has its own personality and can be unpredictable at times, and there is always a level of risk. Whilst every possible attention is given to each dog in our care, accidents, dog fights, dog bites, which can cause injury, and even death, could occur. We will endeavour to avoid these, but dogs will be dogs!

Although we make every effort to ensure your dog is cared for to our usual high standard, we cannot be held liable for, injury, loss or death.

In admitting your dog for Daycare, you are signing to say they have not harmed or bitten or shown aggressive behaviour towards any person or dog. Any behaviour dangerous or inappropriate may result in dismissal of your dog from the Daycare centre.

You are signing to accept that your dog(s) is attending the Doggie Daycare Centre entirely at your risk.

We would strongly advise you to make sure you have your dog(s) fully insured, as **Happy Dogs R Us** will not accept responsibility for the, injury, illness, death or third party liability.

Should we feel the need to separate them in the interest of the animal's own safety, this will be done with care, to continue to make them feel as comfortable as possible.

6. **Safety:** At all times the **safety** of your dog is our priority. As an owner you must understand your dog is sharing facilities, where all the above would apply.

Dogs who have not been regularly socialised sometimes are very boisterous and not very polite with other dogs. These dogs can be at higher risk of fights & bites, and fearful aggression.

7. **Consents:** You agree for us to use photographic and digital recordings of the facility, and your dog(s), on a regular basis, for marketing, 'facebook' etc.
8. **We will treat every dog individually as our own**, and hope they will return home with an enjoyable memory.
9. Dogs not regularly exposed to a lot of exercise (such as at a daycare centre), may experience discomfort, sore joints, stiff muscles, sore paws or abrasions.
10. Fresh water will be available at all times. So please do not allow your dog to drink excessively on returning home, as this can cause health problems.
11. **Fees** are charged at daily prevailing rate, and dogs must arrive between 7.30 & 9.30 and collected between 4 and 6 pm. **Payment is required in full, on the day.**

These records & conditions comply with the licensing authority's regulations (Torbay Council), and our insurance requirements. We are Licensed & Insured
